*Our design patterns are represented as 4ft x 8ft rectangles for reference, but most designs can be made to work with just about any size or shape you desire. Some limitations may apply and are based on density, openness, product family material substrate & thickness, installation method, or integrity of design. We'll provide guidance throughout the quote and order process to help you achieve your design objectives.*

**FOR A FULL LISTING OF CURRENT DESIGN PATTERNS VISIT [TABLEAUX.COM/DESIGNS](http://TABLEAUX.COM/DESIGNS)**
